

SUN PARASOL® Mandevilla hybrids

The SUN PARASOL® series of Mandevilla from Suntory Flowers are high-performing stars that won't seek shade to escape the heat – they grow brightly in even the hottest weather. With superlative garden performance, strong sell-through and rave retail appeal, SUN PARASOL will shine in gardens and containers alike. Their vibrant colors and strong marketing support make SUN PARASOL a favorite for retailers and gardeners. Year after year, customers keep coming back and asking for more. And unlike most sunbathing beauties, SUN PARASOL is low-maintenance and easy to handle – it works well in a range of pots, hanging baskets and on a trellis.

SUN PARASOL GIANT SERIES

This large-flowered series has loads of luscious blooms presented on a vigorous plant. Best for larger containers, its stunning presentation is sure to fetch a premium price.

SUN PARASOL GIANT PINK^{PPAF}

SUN PARASOL GIANT WHITE^{PPAF}

SUN PARASOL CRIMSON^{PPAF}

This best-selling variety is compact with good basal branching and glossy foliage, which sets off the beautiful blooms. Ideal as a patio, hanging basket, balcony, bedding and house plant.

SUN PARASOL PRETTY CRIMSON^{PPAF}

This variety has superior branching and more compact growth but still grows well. Ideal for planting in smaller pots and baskets. Its bushier habit reduces the need for staking.
