

## Tropical SURGE

Kick back and enjoy our fast-growing, summer-selling Tropical program. These paradise plants present a splash of high-resolution colors and textures – a fresh change of pace from the everyday. A primo product that's ideal for outdoor landscapes, containers and summer patio plants. Great in 6" pots and mixed containers. Refreshingly beautiful and enjoyably profitable.

### ACALYPHA TIKI™ SERIES

The Tiki Series was selected for its well-branched, fast-finishing habits along with the exciting array of new colors and forms. With varieties that work well in 4", 6" or gallon pots, these are perfect to add sizzle to your summer program.

#### ACALYPHA TIKI™ JUNGLE CLOAK

A very unusual new addition to the Acalypha TIKI™ line that generated lots of interest at Spring Trials. The camouflage-colored leaves present well at retail in 6" and gallon pots and add tons of interest to mixed containers.

ACALYPHA TIKI Jungle Cloak

#### BARLERIA PURPLE HAZE

A beautifully variegated Barleria with splashes of pink, purple and white on the leaves. Lovely violet flowers harmonize nicely with the colorful leaves. Excellent in mixed containers or as a specimen.
