Introducing the Sun Parasol® series of Mandevilla from Suntory Flowers. These high-performing stars won't seek shade to escape the heat – they grow brightly in even the hottest weather. With superlative garden performance, strong sell-through and rave retail appeal, Sun Parasol will shine in gardens and containers alike.

Their vibrant colors and strong marketing support make Sun Parasol a favorite for retailers and gardeners. Year after year, customers keep coming back and asking for more. And unlike most sunbathing beauties, Sun Parasol is low-maintenance and easy to handle – it works well in a range of pots, hanging baskets and on a trellis.
