# Tropical Surge

From left: ACALYPHA TIKI Firestorm, Peach Whirl, Tahitian Halo, Island Sunrise, Tropical Tempest; BARLERIA Purple Haze

Kick back and enjoy our new, fast-growing, summer-selling Tropical program. These paradise plants present a splash of high-resolution colors and textures – a fresh change of pace from the everyday. They're primo products, ideal for outdoor landscapes, larger containers and summer patios. Great in 6" pots and mixed containers, the Tropical Surge program is refreshingly beautiful, well-branched and enjoyably profitable for growers and retailers alike.

## ACALYPHA TIKI SERIES

The Tiki Series was selected for its well-branched, fast-finishing habits along with its exciting array of new colors and forms. With varieties that work well in 4", 6" or gallon pots, these plants provide the perfect way to add sizzle to your summer program.

TIKI FIRESTORM

TIKI PEACH WHIRL

TIKI TAHITIAN HALO

TIKI ISLAND SUNRISE

TIKI TROPICAL TEMPEST

## BARLERIA PURPLE HAZE

Introducing a beautifully variegated Barleria with splashes of pink, purple and white on the leaves. Lovely violet flowers harmonize nicely with the colorful leaves. Excellent in mixed containers or as a specimen.

## CULTURAL INFO:

Plant in mid-late spring for sales in early-mid summer.

Pot Size	Plant(s) Per Pot	Crop Time
5-6"	1	8-9 weeks
8-10"	3	9-12 weeks
