

MIGHTY 'MATO®

GRAFTED TOMATOES

Gardeners are making the grafted vegetable revolution a huge trend, so we're focused on offering growers and retailers even more opportunities to increase their edibles sales this season. 2013 brings 17 introductions of new Mighty 'Mato varieties to market – including our exclusive new Bumble Bee™ series of delicious marbled cherry tomatoes and 14 large fruited heirlooms. We've also expanded into grafting other vegetables under our brand name Mighty Veggies, launching three grafted eggplants, four grafted sweet peppers and two hot peppers. So fear not, Mighty 'Mato is joined by a plentiful selection of new opportunities for next season.
